

Lexus Macalalad – Portfolio Website

A screenshot of Lexus Macalalad's portfolio website. The website has a dark theme with orange accents. At the top, there is a navigation bar with links to "About Me", "Career", "Projects", "Contact Me", and "Blog". To the left of the main content area, there is a large orange "LM" logo. The main content features a dark background image of Lexus working at his desk, with a semi-transparent overlay containing text and a call-to-action button. The text reads: "Hi, my name is Lexus. I'm currently a student at Coder Academy, and an aspiring full stack developer." Below this is a button with the text "Get to know me!". At the bottom of the page, there is a copyright notice: "Copyright© Lexus 2022. All rights reserved." and social media icons for LinkedIn, GitHub, and Instagram.

Purpose of the Portfolio Website

The purpose of this website can be broken down into two user stories:

As a DEVELOPER:

“I want to be able to showcase what I have done throughout my coding journey and have a way for recruiters to contact me so that I have a higher chance of getting into the industry”

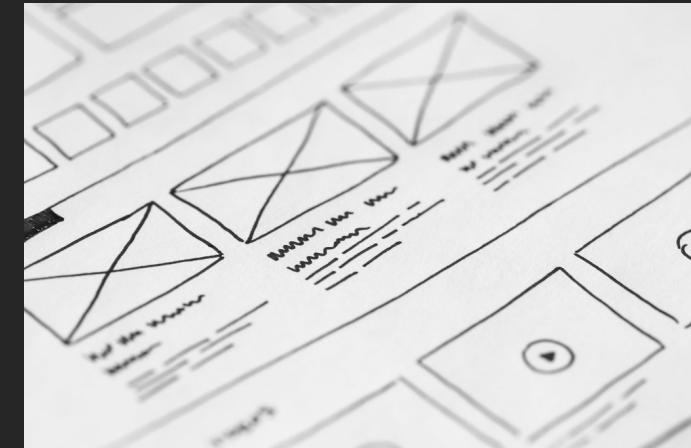

As a RECRUITER:

“I want to get to know this person and see their skills and projects they have completed because this will help me gain an understanding of whether this person is a great fit for the company”

How to achieve the main goal:

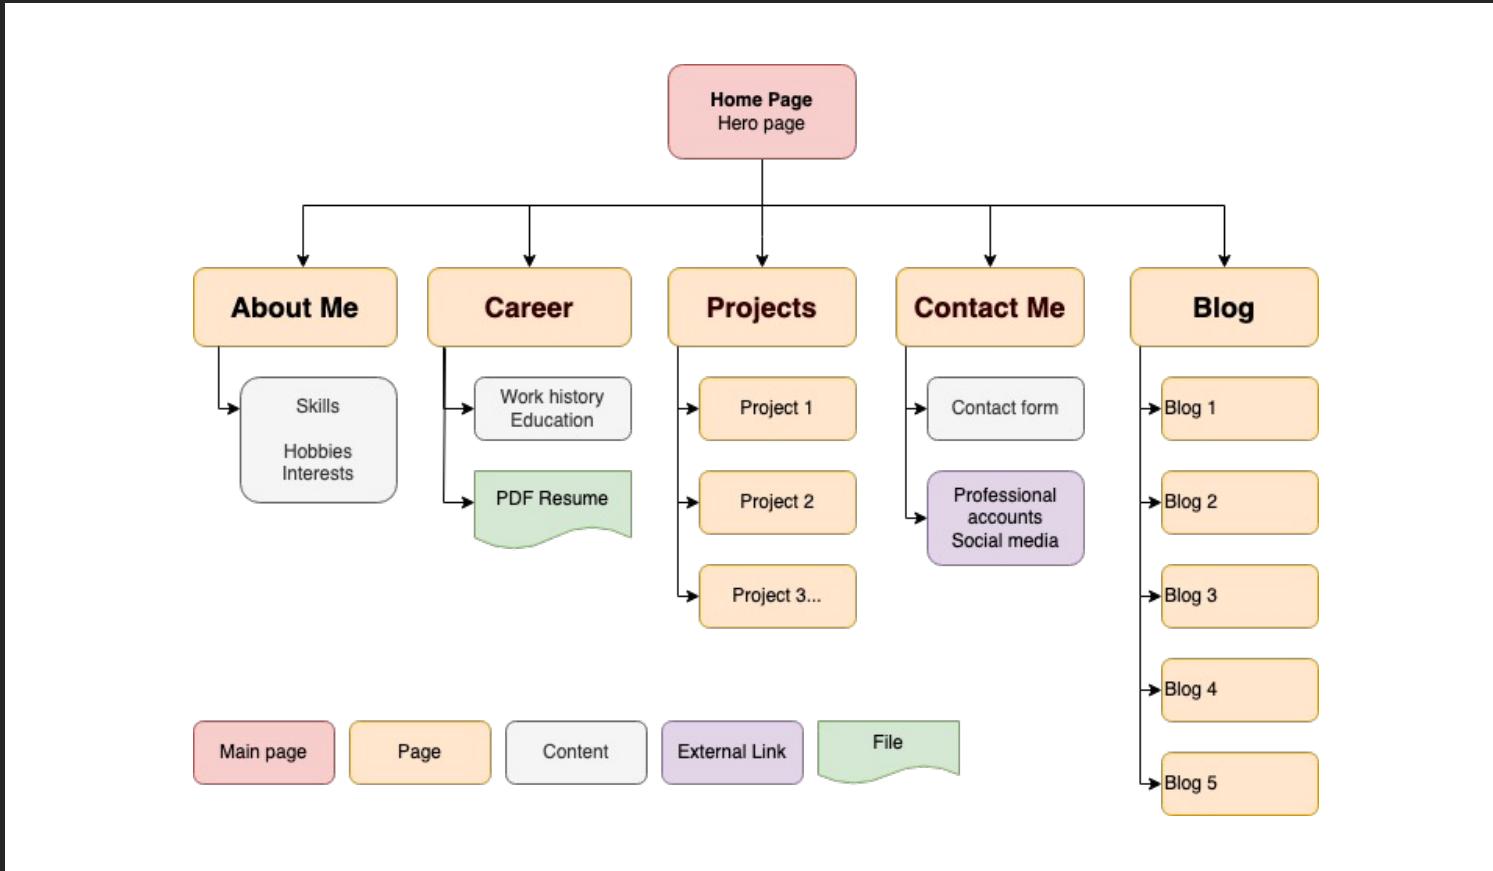

To fulfill the purpose of this portfolio, there are I have included the following features to help me achieve my goal.

- Navigation Bar
- Images
- Icons
- Buttons
- Animations
- Forms
- Downloadable
- Responsive Design

Overview of my website and how pages will interact with each other:

Inspirations

Theme Inspiration

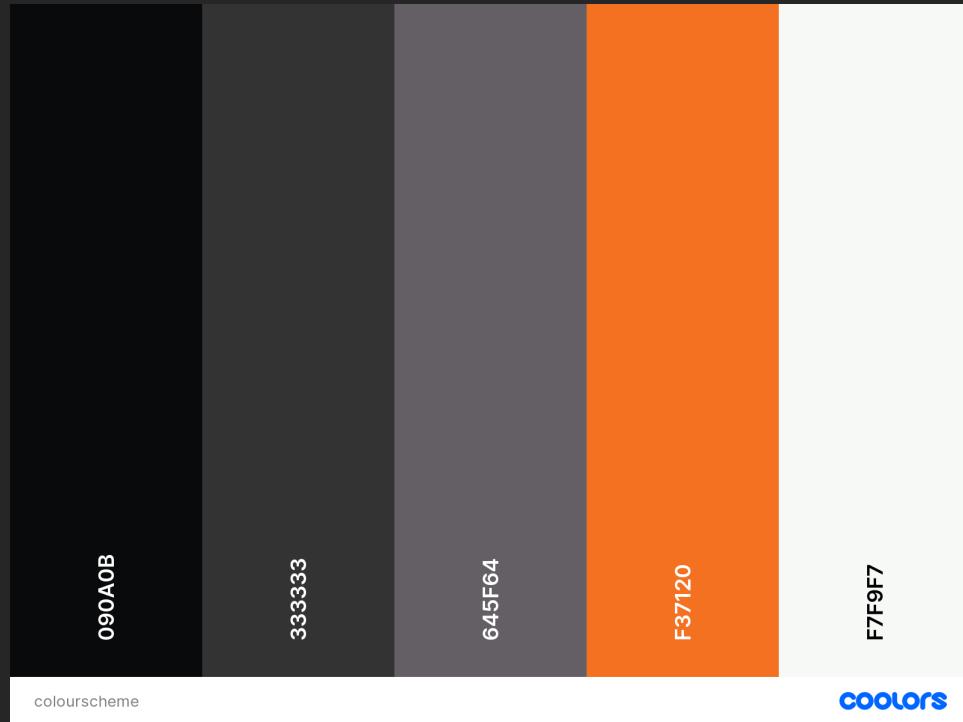

My interest in space exploration – gravitated towards the colour of the moon and space shuttles

Inspirations

Theme Inspiration

Colour palette – made using Coolors

SASS/SCSS Variables

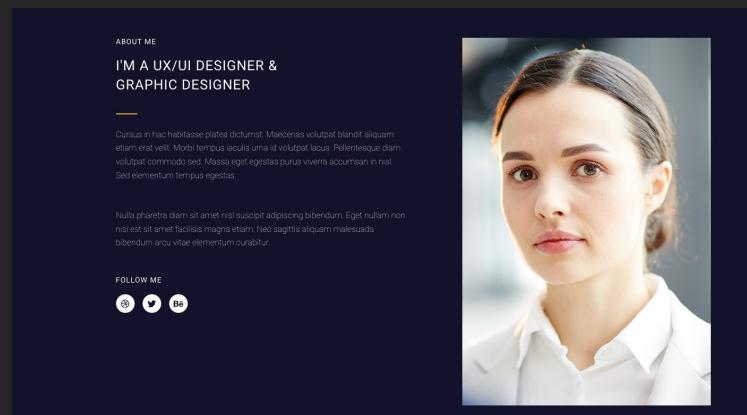

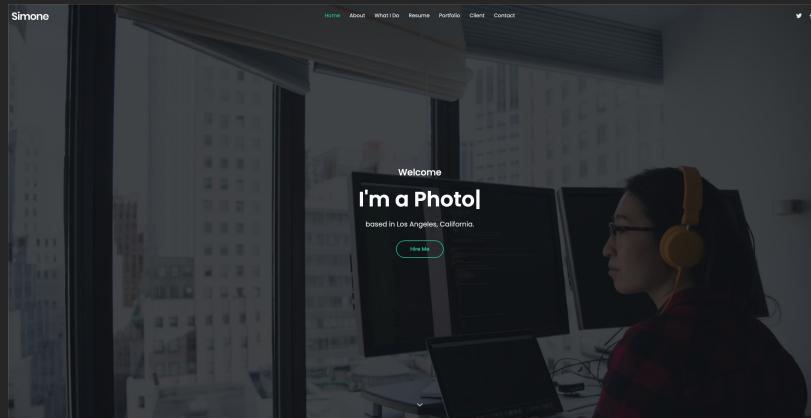

\$primary-color: #090A0B (Black)
\$secondary-color: #333333 (Charcoal)
\$space-grey: #645F64 (Grey)
\$accent: #F37120 (Orange)
\$light: #F7F9F7 (Snow)

Inspirations

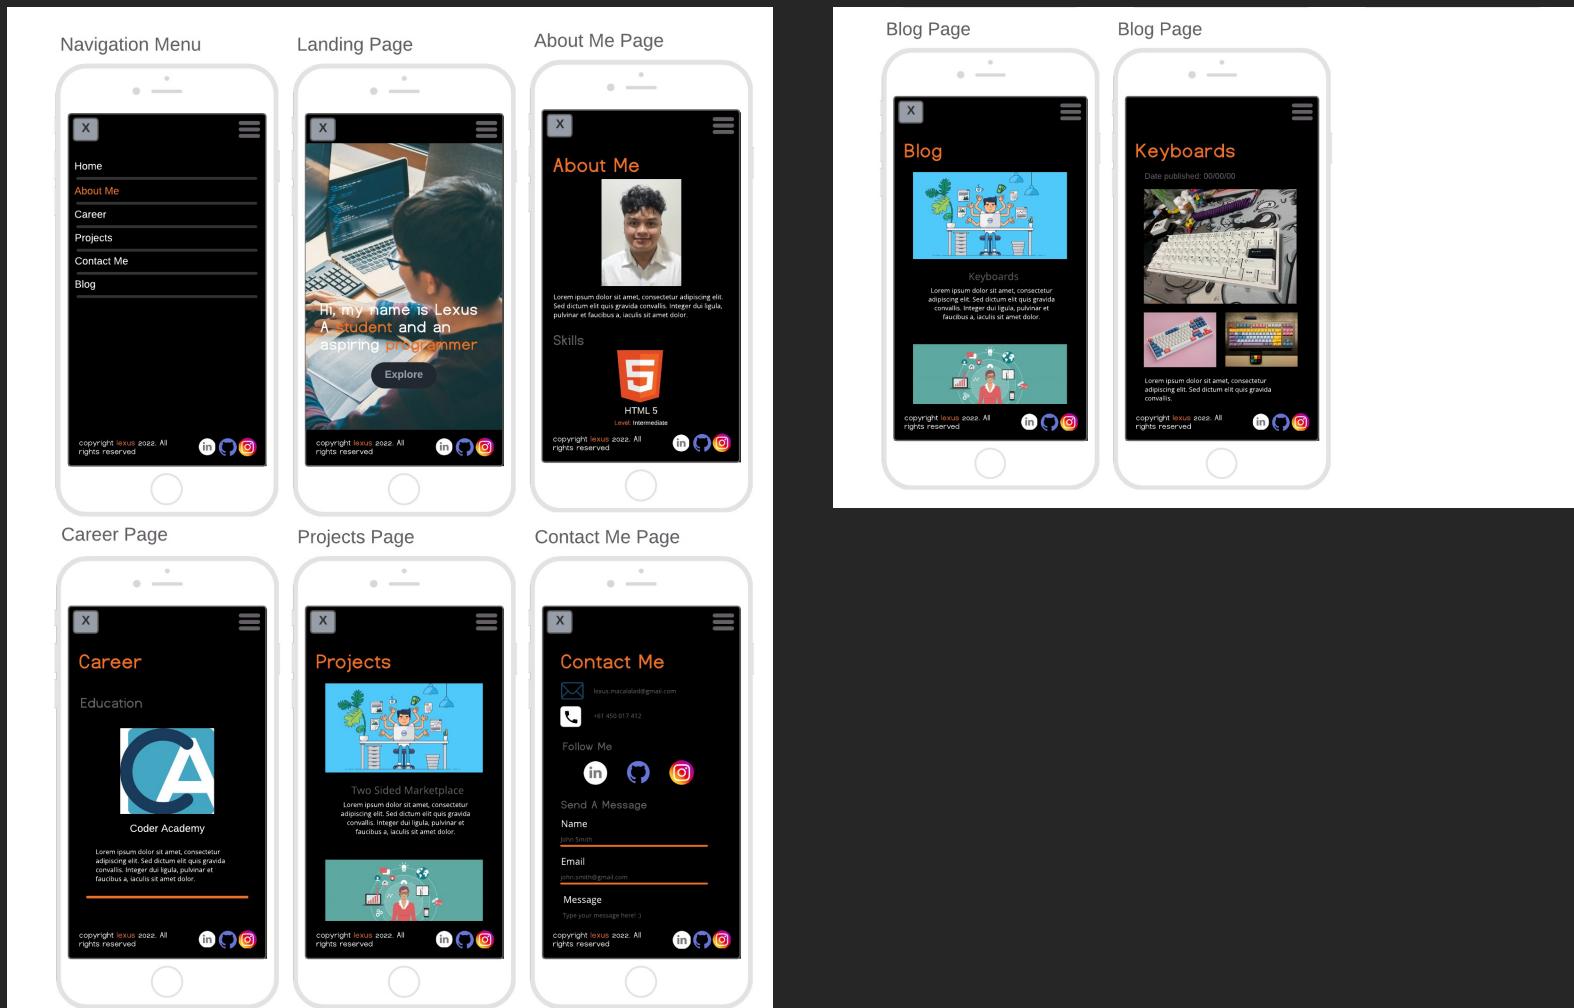

Aesthetic Inspiration

Overall design - MINIMALISTIC

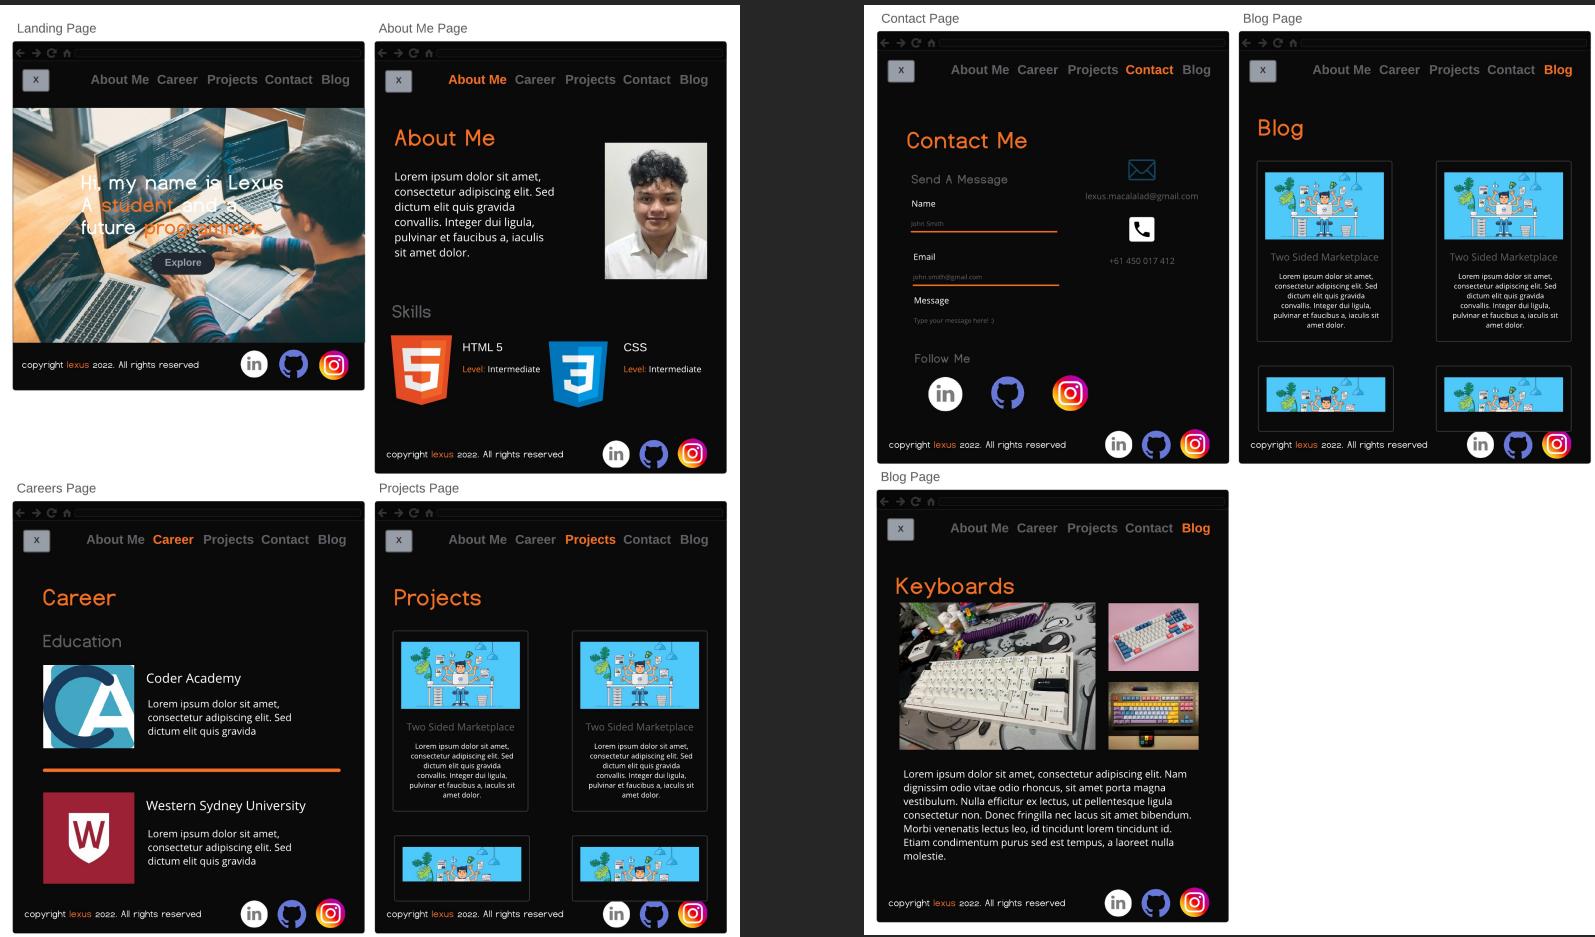

- Simone Olivia
- Propus
- Jord McGowan

A screenshot of a minimalist contact form titled "Send A Message". The form includes fields for Name, Email, and Message, each with a red placeholder text. To the right, there are sections for "Office Line" with phone numbers and "Post Address" with an address in New Jersey. A red "SEND MESSAGE" button is located at the bottom right of the form.

Live Site – Portfolio Website Overview

Reflections

There were many roadblocks I encountered while producing this portfolio website, including:

- Getting images – cannot get anything from the internet unless free of copyright or trademark
- Time management
- Fully understanding HTML and CSS concepts

What to do next time:

- Revise and practice concepts as much as possible
- Remember that everything takes a lot longer than planned
- Read documentation, especially if unsure (creative commons images)
- Try to use my own photos
